Seattle Times: 5/15
Vikram Jandhyala, the University of Washington's innovation leader and a co-creator between the school and the region's tech community, has died at 47 years old.

Global Innovation Exchange: 5/15
We are deeply saddened by the loss of Vikram Jandhyala. He was integral to the vision and development of DII and responsible for what it is today. We will always be grateful for his vision, passion, and desire to create a meaningful impact on the world. http://gix.org

We are deeply saddened by the loss of Vikram Jandhyala. Our thoughts go out to his family and friends. Washington.edu/president/2015

Vikram Jandhyala, Champion of Innovation at UW and Beyond, Dies at 47
business.washington.edu/news/jandhyala

The Silicone Valley Gazette: 5/15
The change management class with guest speaker @VikramJandhyala. He not only answered questions, but he always gave us great teaching tips as well. innovatingTech
Vikram Jandhyala, UK innovation leader and key figure in Seattle tech... Vishwas Jandhyala, the University of Washington's vice provost for Innovation and a key link between the UW and the Seattle region's technology community.
