CoMotion supports startup creation, growth, and closure. We offer wraparound services including training, mentoring, networking, and space across startups. Our four focus areas are technology transfer, advising, funding, and startups & incubation. CoMotion at the University of Washington is part of the University’s Technology Transfer Program, as part of the Small Business Innovation Research (SBIR) and Small Business Technology Transfer (STTR) programs.

Meet the next three CoMotion Mary Gates Innovation Scholars.
