COMOTION

Your Innovation Partner

W **COMOTION**
Your Innovation Partner

W

CoMotion is UW's collaborative innovation hub dedicated to expanding the economic and societal impact of the UW community and beyond.

CoMotion guides and partners with faculty, researchers, students, and entrepreneurs on their path to market, and helps them amplify the impact of their ideas.

We serve:

- UW researchers, faculty & students
- Local startups and entrepreneurs
- Innovators at any stage

IP ADVISING, PROTECTION, & LICENSING

We guide UW researchers, faculty, and students on their path to potential license, startup, or direct-to-user.

- We provide access to expertise, resources, and programs.
- We advise on and protect IP that can support greater impact of UW research.
- We provide best practices to get to market for you and your team.

INNOVATION TRAINING

We deliver just-in-time learning opportunities for all types of innovation.

- We build an entrepreneurial mindset for the UW community.
- We support UW researchers gaining insight into industry and customer needs.
- We provide company-building skills for startups from seed to scale.

FUNDING & PARTNERSHIPS

We provide connections to mentorship, funding, and networks to improve commercialization success.

We make connections to company builders, industry expertise, gap funding opportunities, and external partnerships for:

- team building
- licensing
- angel and venture capital investment
- startup grant support

STARTUPS & INCUBATION

We support startup creation, launch, and incubation.

- We offer wraparound services to support startup success including training, mentoring, networking, and space across a variety of industries.
- We also provide access to investment and funding opportunities.
- We created streamlined licensing with transparent and fair terms.
