

MAY 2024
INNOVATION
MONTH
IMAGINE NEW HEIGHTS

Celebrating innovation that happens everywhere at UW

The University of Washington's first-ever Innovation Month is a campus-wide celebration of the innovation that happens everywhere at UW, every day, across disciplines. It kicks off May 1 with a CoMotion open house and continues all month long with 55+ events ranging from research symposia to jazz concerts.

Stories from the CoMotion blog

New spinoffs and partnerships, advances in ultrasound tech

We profile Vera and Tatiana Khokhlova, a mother-daughter team of physicists working on ultrasound technology. UW Vice Provost for Innovation François Baneyx announces a new partnership with Montana State University through NSF's Accelerating Research Translation program. And we highlight seven new spinoffs.
